

2 INITIATE

Begin the movement.

Keep head free. Neck long, not pushed forward.

Allow your back to lengthen as you begin to go down.

1

PREPARE

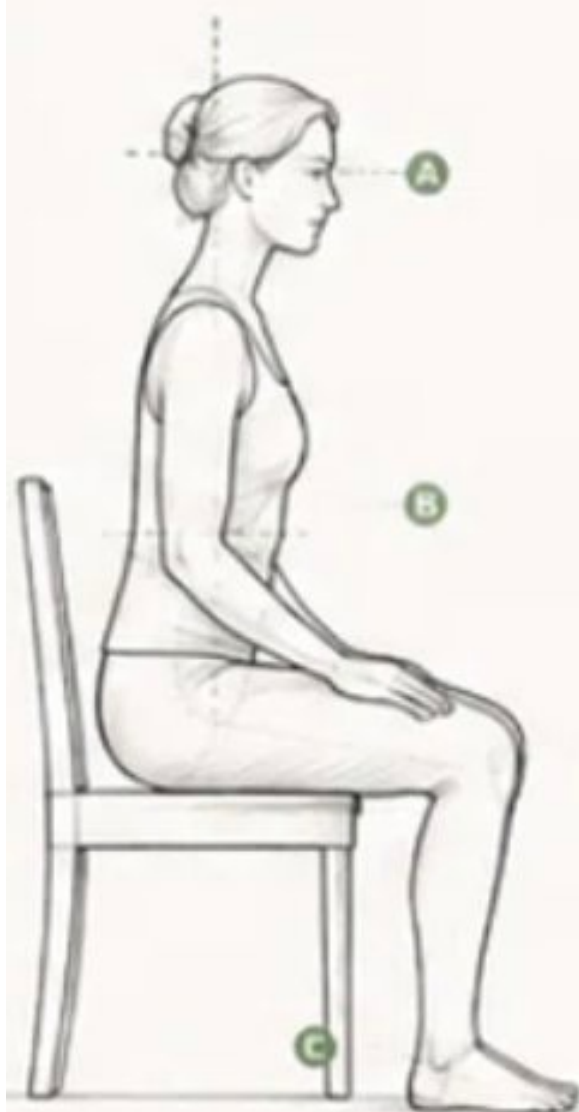

Stand in front of the chair.

- A** Head balanced on top of spine
- B** Shoulders wide and free
- C** Spine long
- D** Knees soft, not locked
- E** Feet grounded, hip-width apart

3 SIT DOWN

Lower into the chair.

Head
balanced,
not tilted
up or
down.

Ribs soft
and free.
Breathing
can
expand.

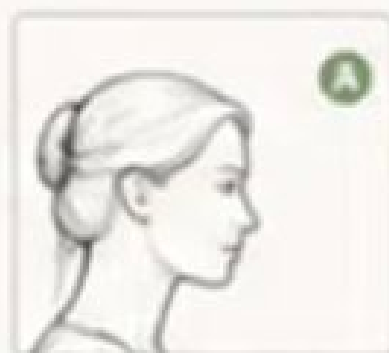

Feet stay
grounded
throughout.

- ✓ Sit bones find the chair.
- ✓ Spine remains long and supported.
- ✓ Let your weight be carried by the chair and your feet.

5

RISE

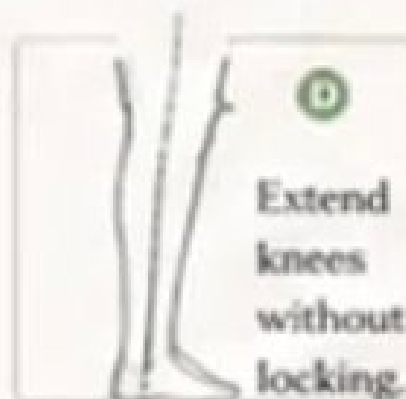

Stand up smoothly.

Head
free.
Neck long.

Spine
long as
you rise.

Extend
knees
without
locking.

4

PREPARE TO STAND

Get ready to rise.

Keep head
free and
in balance.

Come
forward
from your
center.
(Ribs over
pelvis.)

- ✓ Move to the front part of your seat.
- ✓ Feet under knees.
- ✓ Lean forward from your hips, keeping spine long.
- ✓ Weight over your feet.

Feel your
feet. Let
them
support you.

6 STAND

Arrive standing.
